

Thursday 16th July, 2020

Dear friends,

There have been further developments overnight in response to the clusters of COVID-19 infections identified in South Western Sydney.

Effective from 15 July 2020 there is a total ban on visits to aged care services in South Western Sydney.

Exceptional visits including but not limited to end of life visits now require permission from the Public Health Unit at NSW Health.

If you would like to apply for permission to visit please contact your Deputy Director of Nursing, Leah O'Regan (Burradoo) or Edsalyn Soon (Moss Vale) during office hours.

Leah O'Regan – DDon Burradoo	Email: Leah.O'Regan@harbisoncare.org.au Ph: 4868 6295
Edsalyn Soon – DDon Moss Vale	Email: Edsalyn.soon@harbisoncare.org.au Ph: 4868 6349

Please do not contact the Director of Nursing, Harry Varvaressos, to request visits as Harry is very busy ensuring continuity of care for our residents.

The Visitor Pod at Burradoo will continue to operate, and we continue to support virtual visits as much as possible. The Visitor Pod and virtual visits can be booked online at <https://harbison.org.au/visit-harbison/> or through our Coordinator, Kylie Brown, on 4868 6200 or Email: reception@harbisoncare.org.au

Current advice is that these new restrictions will be in place at least until the end of July 2020. As always, we will keep you informed of changes.

I am sorry for the hurt this latest development may cause, but please be assured that life within Harbison goes on and the staff are working hard as a team to keep residents comfortable and safe.

We encourage feedback of any kind. Please feel free to contact me any time if your concerns are not being adequately met.

Yours sincerely

David Cochran
