

A message to Harbison staff from the Chair of the Board of Directors

As we approach Aged Care Employee Day 2022, on behalf of the Harbison Board of Directors, 'thanks for caring'.

Whether you are a nurse, care worker, allied health professional, work in our lifestyle, hospitality or maintenance teams, a volunteer or administrative staff member, we are all Team Harbison and would not be the same without you.

Never has teamwork and collaboration across Harbison been more evident than in the last few years through the most challenging of times (and not to forget two re-accreditations in the last six months)!

So thank you for caring - for Harbison's residents, families and each other. We celebrate you on Aged Care Employee Day and thank you for your valuable contribution every day.

Warmest regards,

Katie
